AIEM, LLC Trademark Officially Registered with the United States Patent and Trademark Office

[October 21, 2025] – AIEM, LLC is proud to announce that its company name and logo have been officially registered with the United States Patent and Trademark Office (USPTO), securing federal trademark protection under Registration No. 7996033. This milestone formally recognizes AIEM’s distinct identity as a leader in ethical, human-centered artificial intelligence for emergency management.

The registered mark represents more than a symbol — it reflects AIEM’s commitment to integrity, trust, and public service as it advances the responsible use of AI in crisis and disaster contexts. With this registration, AIEM strengthens its ability to represent the growing community of emergency management and technology professionals who share a vision for transparent, human-guided AI solutions that enhance public safety and resilience.

“This registration marks another step in solidifying AIEM’s foundation to serve the emergency management community with confidence and accountability,” said Stephen Peterson, Founder of AIEM, LLC. “It reinforces our long-term commitment to building trusted systems that keep people — and purpose — at the center of innovation.”
